

**OFFICE OF STATE AID ROAD CONSTRUCTION
MISSISSIPPI DEPARTMENT OF TRANSPORTATION**

NOTICE TO BIDDERS NO. 13

DATE: April 02, 2007

SUBJECT: Railroads and Contractor Responsibilities

Reference: 2004 Edition of the Standard Specifications for State Aid Road and Bridge Construction Sections S-103.06 and S-107.08

The purpose of this Notice is to draw the Bidder's attention to the above Sections pertaining to railroads and the Contractor's responsibility. For work to be done within the limits of the Railroad right-of-way these Sections define the Railroad's minimum requirements the Contractor shall be held responsible for in the areas of, but not limited to, timely notification of scheduled work, required insurance coverage, construction and railroad flaggers. The Contractor should review these Sections and contact the Railroad. All work to be performed within Railroad right-of-way will be coordinated with the Railroad and to their satisfaction.

In the case of a grade separation project, a copy of the Railroad-County agreement (or the applicable portions thereof) is included with this Notice for the Bidders convenience.
