## WEEKLY SUMMARY OF WAGE RATES

## **INSTRUCTIONS -**

1. In the spaces provided opposite the classifications listed on this form, fill in the rates paid and number employed at the rate for each classification shown on the weekly payroll being reported.

2. If you had employees on your weekly payroll at more than one rate in the same classification, use the spaces opposite the classifications listed on this form for reporting the rate received by the largest number of workers. Use the blank spaces provided below for showing rates paid to others in the same classification with the number receiving each rate. DO NOT REPORT SALARIED EMPLOYEES, SUPERVISORS, FOREMEN OR CLERK. DO NOT REPORT OVERTIME RATES, REPORT ONLY STRAIGHT TIME RATES.
