

**COUNTY ENGINEER'S CERTIFICATE OF COMPLETION  
ACCOMPANYING FINAL ESTIMATE**

STATE OF MISSISSIPPI  
COUNTY OF \_\_\_\_\_

\_\_\_\_\_ Project No. \_\_\_\_\_

County of \_\_\_\_\_

Contractor \_\_\_\_\_

This is to certify that:

(a) the above numbered project has been constructed in accordance with the "Final Plans of completed Work" (reduced blue line prints), which bear my signature in the upper right hand corner of each sheet thereof, and these plans have been filed with the Office of State Aid Road Construction of the Mississippi Department of Transportation, Jackson, Mississippi.

(b) The final quantities have been computed in accordance with the specifications governing the specific items of work involved and the quantities have been checked. Sufficient data is included in the plans and reports and are on file in the County Engineer's office or the Chancery Clerk's office to substantiate the final quantities.

(c) The work meets the requirements of the Specifications therefor.

(d) All materials used on this project have been properly sampled and tested in accordance with State Aid policy and procedures. Exceptions, if any, are explained on an attachment. Sources of supply of major items of materials used on the project are being submitted with this certificate.

(e) The results of tests referred to in the above paragraph compare favorably with the results of independent assurance samples and tests. Exceptions, if any, are explained on an attachment.

(f) An overrun-underrun statement is being submitted showing differences in quantities between the original and final quantities with a brief explanation for such differences.

(g) The Contractor has removed all equipment and materials from the right-of-way.
