12			99,999,999.00
12			99,999,999.00

As the bids are read, list the Contractor, Surety and Amount of Bid. As bids are opened, the computer will rank them in order from the lowest to the highest. The default bid will be 9,999,999 in order to rank the projects in proper order. If the contractor is disqualified due to omissions or errors in the bid, then enter a "x" in the amount of bid column for that contractor. When finished entering bids hit Ctrl-e to get to the Bidtab. To make adjustments on the above portion hit Ctrl-g from the Bidtab portion.

As the bids are read, list the Contractor, and the amount of bid for each project. The contractor will rank them in order from the lowest to the highest. The projects will be ranked in proper order. If the contractor enters a "x" in the amount of bid column for a project, it will be considered to be a no bid. To make adjustments on the bid tab, use the following instructions:
